

CAÑA CRIOLLA

Pedro Bautista

ZOQUIAPAM BOCA DE LOS RÍOS, OAXACA

SUGARCANE JUICE RUM

Cultivated by Daniel Vega Santiago in the arid village of Zoquiapam Boca de los Ríos, Oaxaca, this yellow-colored, hearty cane variety grows amongst columnar cactus and biznagas, and is irrigated from water drawn from the nearby Río Monteflor. It was distilled by local maestro Pedro Bautista on a handmade, wood-fired four plate continuous copper still.

TASTING NOTES

Sourdough, apricot, and mango on the nose. Almond, currants, bubblegum, and sour cherries on the palate.
